

le gracieux Fine Fabrics Featured in
WOW!house Drummonds Powder Room by Nicola Harding

Featuring **le gracieux's** "Haikou" fabric in Hummingbird, seen on the upholstered seat and wallcovering
— part of **Jeffrey Bilhuber's** latest collection.

Another view of the **Nicola Harding**–designed **Drummonds** Powder Room, where color, pattern, and mood converge.

Photography by James McDonald

This moody and sophisticated Powder Room, designed by Nicola Harding, was outfitted with hues of rich, deep carmine reds with accents of blue slate. Varying scales of geometric patterns throughout dance around the room and create a layered depth.
